Mr Cedric Poleman

Headmaster

I would like to extend a sincere welcome to all our guests to our Mini Rugby Festival this afternoon. This festival forms part of our Heritage Week as we celebrate 181 years as a school. We see this as an opportunity for our youngest rugby players to have fun and participate.

Thank you to all who accepted the invitation and for the preparation and training that has gone into today. We hope that all the participants make lasting memories and establish a life long love for the game. Please enjoy your afternoon with us here at Wynberg.

Mrs Misha Fakir

Head of Mini Rugby

It is with great excitement that we are able to host our Heritage Week Mini Rugby Festival once again. It is wonderful to see so many families out supporting the future rugby stars of our respective schools. We look forward to a super afternoon of entertaining rugby. I am sure that all matches will be played in the true spirit of the game.

WBJS Rugby wishes to thank all the participating teams, coaches and referees for their involvement in creating a successful festival.
