BAIE BELANGRIK

- Voorsorgfooie moet stiptelik **voor/ op die 1e van elke maand** ontvang word. Laat betalings/ uitstel word nie toegelaat nie, u kind verbeur dan hul bywoning vir die betrokke maand.
- **Die volle maandelikse bedrag is betaalbaar**, ongeag hoeveel dae van die maand die leerder sou bywoon. Enkel-dae, of kort kennisgewing bywonings word nie toegelaat nie.
- Betalings vir onderskeidelik Nasorg en Voorsorg, moet asseblief APART gedoen word, moet nie die twee bedrae saamvoeg nie.
- Betalingsverwysing (kind se Nasorgnr + "voorsorg": **"X123 VOORSORG"**). Maak asseblief seker dat u altyd die korrekte verwysing gebruik en die spesifieke diens aandui wanneer u 'n betaling maak, fooie mag nie heen- en weer geskuif word tusse Nasorg en Voorsorg nie. Dit is nie nodig om die leerder se naam by te sit nie, net die leerder se Rekeningnommer en die rede vir die betaling (dui aan 'nasorg' of 'voorsorg').

VERY IMPORTANT

- Morning care fees must be received **before/ on the 1st of every month**. Late payments/ arrangements will not be allowed, your child then forfeits their attendance for the month in question.
- **The full monthly amount is payable**, irrespective of how many days you want to make use of the service. We are not able to accommodate single days or short-notice bookings.
- Please make SEPARATE PAYMENTS for Aftercare and Morning Care, do not combine these amounts in one payment.
- Payment reference (child's Aftercare no. + "morning care", i.e. **"X123 MORNING CARE"**.) Please ensure that you always use the correct reference and indicate the specific service when making a payment to the Trust, It is not necessary to add the learner's name, only the learner's Account Number and the reason for the payment (indicate aftercare or morning care).
