FRESH FRUIT, COOL SHADES, AND GREAT MEMORIES!

FOUNDATION PHASE SPORTS DAY

Big support
for little
champions!

A heartfelt thank you to **Brick n Board and Food Lover's Market River Quarter** for their incredible support during our foundation phase weekend!

This special event welcomed nine schools and saw our U/7–U/9A and B hockey, rugby, and netball teams take to the field and courts. With every team playing three matches, the weekend was filled with sportsmanship, friendship, and unforgettable memories.

A huge thank you to **Brick n Board** for sponsoring the refreshments and spoiling every participating player with a pair of sunglasses and Food Lover's Market River Quarter for providing a complimentary fruit stall throughout the weekend for all our players, coaches, and supporters.

We cannot wait for next year's event!

SEED YOU LATER, WE'RE BUSY GROWING!

Discover the Wonder of Plant Growth

Our Grade 2 learners have been exploring the fascinating life cycle of a plant as part of their Natural Sciences lessons.

Learners have had the opportunity to plant their own seeds and observe the different stages of growth firsthand. From the moment the seeds were planted, excitement filled the classroom as learners eagerly checked on their plants each day, watching for the first signs of life.

Through this hands-on learning experience, learners observed how roots develop beneath the soil, how stems begin to grow towards the sunlight, and how leaves and flowers eventually emerge.

We are incredibly proud of our Grade 2 learners for their enthusiasm and dedication. Their growing plants are a wonderful reminder that, with care and perseverance, great things can grow from even the smallest beginnings.

hands,

big things!**

WHEN MUSIC BRINGS US TOGETHER

A Celebration of Music and Community

Our annual choir concert, held on Tuesday, 19 May, was a wonderful celebration of music, talent, and community.

We were delighted to welcome several schools and choirs to join us for the evening. With approximately 450 learners performing and a packed audience in attendance, the atmosphere was filled with excitement and joy from beginning to end.

A special highlight of the concert was the mass choir performance of A Million Dreams. Hearing hundreds of voices come together in song was a memorable moment and a beautiful reminder of how music can unite people.

Thank you to every learner, teacher, parent, conductor, and supporter who helped make the evening such a success. We appreciate everyone who joined us and contributed to this special event.
